“Don't wait! Don't put it off! We should have made a weekend 20 years ago, and we would have saved so much time and energy. We talk now, REALLY talk, and listen to each other like never before. We would recommend the weekend for every married couple!”

~ Lily & Hector - Married 32 Years

“Our lives are full of hectic schedules, kids, work, kids! It seems we never had a chance to really talk let alone romance each other before our weekend. Now we have a tool to use to keep US on the front burner. Thank goodness we made a weekend—we are more alive and in love than we could ever have imagined.”

~ Megan & Rob - Married 7 years
