

THE CHURCH NEEDS YOU FULLY AVAILABLE.

Fully Available Leadership: a five-week working program for Catholic husbands and fathers with children in the home.

You are raising kids, working to be a great husband, and carrying a job and your health at the same time. Somewhere in the middle of it, faith gets the scraps of your attention and your own health gets whatever is left. Then the two things that take most of your time, your family and your work, start to suffer too.

Your vocation as husband and father is the center of your life and your best path to sainthood. The children in your home learn the faith from you, and the next generation of Catholics depends on what they see. The Church needs you ready.

FIVE WEEKS. FOUR PRIORITIES.

Get clear on what matters, name what is in the way, and commit to change.

FAITH

Priority one. God first, every day.

FAMILY

Priority two. Lead your wife and children to God.

FITNESS

Fit to serve God and your family: body, mind, and spirit.

COMMUNITY

What overflows. Your impact at work and beyond your home.
